

MASTER OF COMMUNITY TRANSFORMATION

<i>Total Credits</i>	30
<i>Program Goals</i>	<p>The Master of Community Transformation program equips students, especially laypeople, with skills to address social, economic, and cultural challenges. Aligned with AOIC's commitment to holistic transformation, it integrates biblical principles with community development. Students develop competencies to serve in local communities, assist in sustainable projects and make ethical decisions grounded in Christian values, promoting justice and compassion. Graduates are prepared to lead transformative efforts in diverse communities.</p> <p>The objectives of this program are to:</p> <ul style="list-style-type: none"> ● Provide students with a strong foundation in biblical and theological principles, focusing on their application in community development and transformation. ● Prepare students to engage with and serve communities, addressing social, economic, and cultural challenges from a faith-based perspective. ● Develop competencies to serve in transformative projects, promoting sustainable development. ● Instill an ethical framework grounded in Christian values, guiding decisions that foster justice, compassion, and integrity. ● Equip students to minister effectively in multicultural settings, promoting transformation through contextualized approaches. ● Foster students' ability to pursue holistic community transformation.
<i>Admission Prerequisites</i>	Candidates must have a recognised University degree of any discipline, a Bachelor of Theology, Bachelor of Ministry or its equivalent. Candidates with a Bachelor of Theology, Bachelor of Ministry or its equivalent must have a minimum GPA of 2.7.
<i>Accreditation</i>	Designed in accordance with ATA standards, aiming for future accreditation.
